Docker Remote API client libraries

These libraries have not been tested by the Docker maintainers for compatibility. Please file issues with the library owners. If you find more library implementations, please list them in Docker doc bugs and we will add the libraries here.

Language/Framework	Name	Repository	Stat
C#	Docker.DotNet	https://github.com/ahmetalpbalkan/Docker.DotNet (https://github.com/ahmetalpbalkan/Docker.DotNet)	Acti
C++	lasote/docker_client	http://www.biicode.com/lasote/docker_client (Biicode C++ dependency manager) (http://www.biicode.com/lasote/docker_client)	Acti
